

MODULE KZPT
KINTO ZERO PLATFORM TERMS

The terms set out in this Module govern the use of the Kinto Zero Platform Services and in the case of any conflict between the terms of this Module and the other terms of the Agreement, the terms of this Module shall prevail with respect to Kinto Zero Platform Services.

1. DEFINITIONS

- 1.1 In this Module, the following terms will have the meanings set out below. Any capitalised terms which are not defined in this Module will have the meaning given to them elsewhere in this Agreement:

“ESG Reporting Standards” means internationally recognised frameworks, standards, and guidelines for environmental, social and governance reporting, including but not limited to the GRI Standards; IFRS S1 and S2; UK SRS 1 and SRS 2; TCFD Recommendations; SASB Standards; UK SECR; ESRS; SASB Standards; CSRD Directive; EU SFDR; CDP frameworks; and any successor or replacement standards thereto.

“ESG Regulations” means any applicable laws, regulations, directives, rules, or binding regulatory requirements relating to environmental, social and governance matters, including but not limited to climate change; sustainability reporting; human rights; diversity, equality and inclusion; corporate governance; and anti-corruption, in any relevant jurisdiction, as may be amended, supplemented or replaced from time to time.

“Kinto Zero Platform” means a Platform designed to facilitate and simplify ESG reporting, streamline sustainability standards compliance, support audit-ready disclosures and consolidate ESG data to assist organisations in meeting any regulatory requirements and stakeholder expectations.

“Kinto Zero Platform Services” means the provision of the Kinto Zero Platform and related Platform Support.

2. DISCLAIMERS

- 2.1 Under no circumstances shall KINTO have any liability to the Customer relating to the Kinto Zero Platform Services for any losses, claims, damages, costs or expenses caused by errors or omissions in the Customer Data or the Customer Materials provided to KINTO by or on behalf of the Customer in connection with the Kinto Zero Platform Services, or any actions taken by KINTO at the Customer's direction.
- 2.2 KINTO does not warrant that use of the Kinto Zero Platform Services will ensure compliance with any ESG Regulations or ESG Reporting Standards and the Customer remains solely responsible for its compliance with any applicable ESG Regulations and ESG Reporting Standards.
- 2.3 The Kinto Zero Platform Services do not constitute legal, regulatory, or professional advice regarding compliance with ESG Regulations or ESG Reporting Standards. The Customer should seek independent professional advice regarding its specific obligations and compliance requirements.
